Dear Ms Brady:

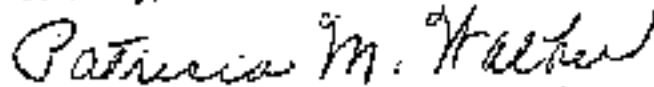

This letter is in response to your letter of October 30, 2001, which was not received by this office until November 12, 2001. As discussed in our telephone conversation, this delay in delivery to our office was most likely due to the closure on two occasions of the Bellmawr, NJ postal distribution center in order to test for anthrax contamination.

I was able to electronically mail an amended version of our Mid-Year Report to the FEC on Friday, November 16, 2001. I did speak to you shortly after our E-Mail indicated that the amended Mid-Year Report had been successfully sent.

Note has been made of the necessity beginning with our next report of reporting election cycle-to-date figures when reporting aggregate amounts rather than the year-to-date figures as we have been doing. This should be in the proper form on our year end report.

I thank you for your help.

Sincerely,

Patricia M. Walker
